Qualitative

Is there anything else you would like the university to know about your learning experience in this course? -

- She's fantastic! I would truly love all of my professors to be like her!
- Nothing, nice professor
- The Professor was excellent, however her microphone quality sometimes made it hard to understand.
- no
- The instructor was extremely clear and made the course much more interesting and I looked forward to learning the material. She added information that was useful and added interesting videos that made the course much more enjoyable!
- Professor Inman was incredibly accommodating. The tests are extremely fair and engages most, if not all, of the material covered in lectures. The online lectures were easy to adapt to and follow along with.
- I feel as though I learned a lot in this course in a short amount of time without feeling overwhelmed, which I would say is an accomplishment. Professor Inman was great to learn from and communicate with, and I would highly recommend this course.
- Very understanding and flexible. Thank you so much.
- Social psychology is a very interesting course to take.
